"The Ultimate in Italian Sauces since 1973"

Lucy and Lou DiLisio started Casa DiLisio in 1973 in their home. Their first sauce was a French style scampi sauce later called Sauce Provencal. Casa DiLisio was the first company to put frozen Pesto Sauce on the market for foodservice. Last year Casa DiLisio produced and sold over 600 tons of Pesto Sauce. Casa DiLisio is also one of the very few companies using only Fresh Basil & Fresh Cilantro in their Pesto Sauce. Casa DiLisio processes 6000 - 8000 lbs of Fresh Basil (Top Leaves) per week! They are the only sauce company in the United States to have been honored by The American Culinary Federation "Gold Certification".
