

Fresh Squeezed 100% Florida Juices

INDIAN RIVER SELECT, LLC was founded by two native Floridians from citrus growing families. In a time when the giant national juice brands have turned to blending off-shore juices into their products, **Indian River Select® remains one of the few premium juice companies that can proudly say that it is still 100% FLORIDA juice.**

**“Grown, Picked and Squeezed in Florida”
100% Florida Juice.**

0096327 Orange Juice 100% Best Choice 4/1 gal

100% Florida orange juice! This product is Kosher Parve, gluten free, freshly squeezed, and lightly pasteurized for your safety.

0096341 Orange Juice High Pulp 100% 4/1 gal

Kosher Parve with no sugar added, this 100% Florida juice is all natural with a **High Pulp** Content. High Quality! Thick & Hearty! Gluten free and Kosher Parve. Nothing says Quality like Premium Orange Juice from Florida!

10089745 Orange Juice with pulp 100% Pure 6/52 oz

Indian River Select Original Premium Orange Juice is pure, natural, 100% Florida juice. This juice contains no added sugar or water, only the same naturally occurring sweetness found in whole, fresh fruit. Not from concentrate. Pasteurized. Gluten free and Kosher Parve.

10089746 Orange Juice no pulp 100% 6/52 oz

Indian River orange juice is 100% pure Florida juice that contains **no pulp**. They use peak season fruit that is carefully chosen from the various growing regions throughout Florida, then gently squeeze, blend and carefully pasteurize. This gives you a richer, sweeter taste and high quality juice. Gluten free and Kosher Parve.

0096336 Orange Juice 100% 12/12 oz

100% pure Florida Orange Juice, freshly squeezed. 12/12 oz single serve bottles are great for schools, deli, hotels, retail and bar mixers, too! Gluten free and Kosher Parve.

Did you know.....?

- ❑ Ants closely resemble human manners: When they wake, they stretch & appear to yawn in a human manner before taking up the tasks of the day.
- ❑ A literal translation of a standard traffic sign in China: "Give large space to the festive dog that makes sport in the roadway."
- ❑ Studies have shown that children laugh an average of 300 times/day and adults 17 times/day, making the average child more optimistic, curious, and creative than the adult.
- ❑ Half the foods eaten throughout the world today were developed by farmers in the Andes Mountains (including potatoes, maize, sweet potatoes, squash, all varieties of beans, peanuts, manioc, papayas, strawberries, mulberries and many others).
- ❑ Einstein couldn't speak fluently until after his ninth birthday. His parents thought he was mentally retarded.
