

Quality Products - Outstanding Service

Meet consumer demand for free-from additives by serving turkey raised with NO Antibiotics Ever and on a 100% vegetarian diet with no animal by-products. Enjoy the flavor, texture and aroma of freshly roasted turkey, without the added labor, time, and yield loss of a whole turkey. These boneless roasts are made with 2-3 whole muscle breast lobes and covered with a defatted breast skin that provides a rich golden roasted color. Each roast is enhanced with turkey broth marination to give it an authentic roasted flavor and maintain moistness.

Book your holiday turkeys and turkey roasts by October 30th to ensure ample supply.
Booking form attached.

Did you know.....?

- ❖ Cookie Monster's real name is Sid.
- ❖ Comedian Mitch Hedberg never passed on a job, having been told "no" so often early in his career that he felt like if he didn't say "yes", he might not be given the opportunity to perform again.
- ❖ People can suffer from a psychological disorder called Boanthropy that makes them believe they are a cow.
- ❖ A water dropwort is a highly poisonous plant. If it kills you, it can cause you to smile after you die. This is called a sardonic grin.
- ❖ Owls have specialized feathers where the edges protrude out to dissipate air flow. This means that they are able to fly silently and are highly deadly hunters.
- ❖ When electricity was first installed in the White House in 1891, President Benjamin Harrison and his wife were afraid of electrocution because of the new concept. They refused to touch light switches so the staff had to turn the lights on and off for them.
