DeIORIO'S

Our frozen pizza dough balls are so easy! They provide consistency, save time and labor, and can be used to create many menu items, such as pizzas, bread, calzones, fried dough, Stromboli, and more. This dough ball is unique in that it is made with Italian 00, super fine, high protein flour and is formulated for high-temp brick or stone fired ovens. With the traditional flavor of a dough ball, our flats offer the convenience of pre-shaped product and a shorter thaw time than a traditional dough ball, making them ideal for quick-service applications. Delorio's Dough Flats come partially shaped or sheeted, oiled on one side, and individually bagged for maximum performance.
