Quality Products-Outstanding Service

Our pastry fillings are ready to use and come in a variety of flavors including many fruit flavors, cream cheese, and Bavarian cream. Commercial pastry fillings are great for all types of baking. One of the most common uses is as a filling in-between cake layers. Torting and filling your cakes is a great way to add flavor, texture, and professionalism to your baking. Pastry fillings are not just for cakes though, use them in your pies, pastries, tarts, and turnovers. Use a bismark tip to add fillings to cupcakes, éclairs, and much more! Pastry filling makes an easy filling for crepes and mini tarts. Squeeze a dab of filling into a chocolate lined candy mold for a delicious candy center! Add pastry filling to cheesecakes and cookies.

Available in Riviera Beach and Ocala.
