National Floor Safety Institute Certified to **REDUCE SLIPPING.**

The patented Grease-Beater™ technology allows mop fibers to **ABSORB ALMOST TWICE AS MUCH** grease and oil compared to conventional mops. In addition; the mop is designed to release grease by a simple wringing action, minimizing floor re-soiling when mopping

This mophead lasts for about 75 uses, compared to other mopheads that only last a few usages. Cut-end mopheads last 3-5 uses and looped-end mopheads last 30-50 uses.
