We are an app  
designed to assist customers  
in making a meal decision  
**focusing on eating local!**

## Who Are We

Our entire platform is designed around **supporting local restaurants**, not large national chains. We've spent our entire lives in the food business, and no one knows the importance of local economy better than we do!

### ADVERTISE WITH US & THE BENEFITS ARE ENDLESS

- **MANAGE SPECIALS-** We've got a section for daily and special occasions. Easy to manage from a single site and mobile friendly.
- **FIRST IN RESULTS-** We highlight your information while also providing a link to your specials page and website so customers can see what you have to offer.
- **TARGETED AUDIENCE-** Your business shows up for those looking for your style of cuisine in the area you service.
- **MULTIPLE LOCATIONS-** Manage multiple locations or concepts for a single price, not per location
- **ACCOLADES-** Enter your awards and they'll become visible in the app for users to see
- **MENUS-** Publish multiple menus that become visible in the app all from an easy dashboard
