WHO ARE WE?

We are an app designed to assist customers in making a meal decision **focusing on eating local!** Our entire platform is designed around **supporting local restaurants**, not large national chains. We've spent our entire lives in the food business, and no one knows the importance of local economy better than we do. Advertising with us brings the following benefits:

- **Manage Specials-** We've got a section for daily and special occasions. Easy to manage from a single site and mobile friendly.
- **First in Results-** We highlight your information while also providing a link to your specials page and website so customers can see what you have to offer.
- **Targeted Audience-** Your business shows up for those looking for your style of cuisine in the area you service.
- **Multiple Locations-** Manage multiple locations or concepts for a single price, not per location
- **Accolades-** Enter your awards and they'll become visible in the app for users to see
- **Menus-** Publish multiple menus that become visible in the app all from an easy dashboard
- **No Contracts!** Monthly or yearly billing options. Normally, first 30 days are free with no credit card information to get started. Offering extended free trial period for an extra 60 days (90 days total free trial period)!
