Did you know.....?

- ❖ Is it because light travels faster than sound that some people appear bright until you hear them speak?
- ❖ Why do you press harder on a remote control when you know the battery is dead?
- ❖ Kemo Sabe' means 'soggy shrub' in Navajo.
- ❖ Penguins can jump as high as 6 feet in the air.
- ❖ There is a very fine line between 'hobby' and 'mental illness.'
- ❖ Though french fries are now exclusively made of potatoes, the term used to refer to a cooking method rather than a food. French fries used to be called "french fried potatoes," meaning that they were potatoes that had been "french fried." To "french fry" a food meant to deep-fry it.
